## SPARKLING

**Pere Mata, "Cupada n 17" Brut Nature Reserva 12**  
**Sant Sadurni D'Anoia, Spain 2012**  
 This is the one for you! No, SERIOUSLY... With notes of orange blossom and white peach, followed by a clean burst of minerality. This sparkler is just the girl (or guy) you should be drinking tonight!

**Pere Mata, "Trepas" Brut Reserva 12**  
**Sant Sadurni D'Anoia, Spain 2014**  
 A fresh hint of lavender, strawberry and flowers immediately bring you to the Spanish seaside as you smell this Cava! Vibrant and clean like a summer's eve, this creamy and delicate sparkling rose is perfect for any occasion!

## WHITE

**Château de Rey, Si's Plau 9**  
**Roussillon, France 2015**  
 A clean and bright white out of France, so clean it might remind you of fresh laundry, perfect for Sauvignon blanc fans. With notes of lime, peach and white flowers, this classic white is great for anytime and anyone!

**JJ Vincent, Pouilly-Fuissé "Marie-Antoinette" 14**  
**Burgundy, France 2014**  
 If she walked into the room right now, we would all stop and stare as she carries herself with elegance and grace. Her scent of acacia and honeysuckle is enough to bring you to your knees. The body, round and balanced, kisses you with apricots and almonds. Once she is gone and your head spinning, you will never believe this is chardonnay.

**Neumayer, "Ludwig" 14**  
**Traisental, Austria 2015**  
 "When the dog bites, when the bee stings, when I'm feeling sad... I simply remember my favorite things, and then I don't feel so bad" or maybe Maria should have had a glass of Gruner Veltliner in the 'Sound of Music' instead. With its soft green apple notes and lively minerality/acidity, this wine will have you believing that "The hills are alive with the sound of music."

**Alysian, Sauvignon Blanc 12**  
**Dry Creek Valley, Sonoma 2016**  
 "Complacencies of the peignoir..." So you're in a mood. That's cool. This wine will kickstart any momentarily drab milieu. Apricots, lime zest, slate, and racy acidity will have you "dreaming of catching tigers in red weather."

**Moretti Omero, "Nessuno" 12**  
**Umbria, Italy 2015**  
 A fantastic blend of Grechetto and Malvasia come together in this glass to give you one wild ride! Bright, tart, and crazy! Hints of banana, peach, sage brush and lavender all mingle to explode with flavor. Try this one and let it knock your socks off!

## ROSÉ

**Floodgate Wine Co. Rose 10**  
**Sonoma Coast, California 2016**  
 You will open up the floodgates with this rose! Bright strawberry and peach notes, with a freshness that will make you think you are seaside! Sip this rose all night and watch out for the flood.

**El Coto Rioja 12**  
**Rioja, Spain 2016**  
 Stag on the label. Mansion in the background. Strawberries on the palate. This is how we get down. Goin' in for the win. It's limitless you say? Picture your name on blimp. (With *this* rose) today is a good day!

**"Porron" Rose (500 ml) 30**  
 This is a "fun spout" decanter from Spain filled with delicious rose!

## RED

**Tritano, Montepulciano d'Abruzzo 11**  
**Abruzzo, Italy 2012**  
 Looking for that bold and smooth red? Well look no further! This Montepulciano is lush and rich with dark red fruit and soft hints of spice. Perfect for a back yard bbq or just a great night at Baldoria! Try it with a cheese plate and you will be singing that's amore!

**Emilio Bulfon, Cianoròs 13**  
**Friuli, Italy 2015**  
 Don't let the name fool you; this Italian gent is a saue, bawdy boy. Leather, allspice, dark cherry, and rhubarb. Yeah, all that and more! Yet it's extremely approachable. La Casa Nostra better watch out. This wine has all the moves to make anyone sleep with the fishes.

**Bordeaux, Chateau Cru Godard 14**  
**Bordeaux, France 2012**  
 This is Jay-Z ordering vintage Krug on instagram, and those other "businessman" rappers not having a clue. Be a business, man. Order a medium bodied, French glass of class, and watch that money pile up!

**Domaine Tollot-Beeaut, Chorey-Les-Beaune 13**  
**Burgundy, France 2012**  
 Sometimes I just feel like a good old fashioned acid trip. Light, bright red berry fruit with a refreshing dose of acidity make this the perfect accompaniment to any lighter mediterranean fare. So bring on the dancing elephants, and let's get weird.
